

SNAPSHOT EDUCATION

JUL '20- JUN '21

\$95,000 INVESTED ANNUALLY

Southside Pride

Established: 2015

Grant Cycle: 3 (Year 7-9)

Service Area: South Elyria

MISSION: Improve health & risky behavior knowledge that improve both educational & social outcomes for intermediate & middle school students.

WHY MIDDLE SCHOOL?

Healthier students are better learners,

- The middle school years are critical developmentally
- There is a correlation between positive engagement in these formative years and life success
- Recent data show that the per capita income level of Lorain County is more than double the income level of South Elyria.

GOAL: INCREASE ATTENDANCE AND DECREASE DISCIPLINE REFERRALS

WHY SOUTH ELYRIA?
WHEN WE STARTED:

14

Discipline referrals per
month in 2018-19*
school year

92%

Attendance rate in
2018-19* school year

*first year data was available

additional funds raised through
leveraged funding, compounding the
investment made by United Way

3

new programs launched to
enhance existing after school
programming and expanded
library services

WHAT WE ACCOMPLISHED FY21

3,510

total participation in out of
school programming at sites
in South Elyria

\$225,500

additional funds raised through
leveraged funding, compounding the
investment made by United Way

51

Attendees between the three
new programs; Summer
Camp, Tech Camp, and Girls in
Gear

WHERE WE'RE GOING FY22

Launch of new mentoring program
with the Interact Club, and continued
tutoring and academic support. These
initiatives are to help students re-
immerse and readapt socially, while
also helping them catch up
academically from classroom time
missed because of the COVID-19
pandemic

Sponsor "Zones of Regulation,"
programming to help students and
teachers recognize and react to
everyday mental and behavioral
health
